

## Nonprofit News

CAPACITY BUILDING | GRANTS/FUNDRAISING | RESOURCES/EDUCATION | VOLUNTEERS/EVENTS

August/September Volume 7 - Issue 4

YSEDC is committed to assisting our local nonprofits in building capacity, with their programs and projects. If you wish to submit an article to promote an event, please submit 10 days prior to our publication date. The next publication will be on or around October 1, 2023. You may submit your articles in Microsoft word, pdf, or jpeg formats to [croderick@ysedc.org](mailto:croderick@ysedc.org)

### Grant Opportunities/Special Opportunities

#### **YSEDC is once again offering A FREE ONE-YEAR GRANT SEARCH SUBSCRIPTION to Grant Station, an online Grant Search Platform.**

The goal of this grant search subscription is to give our local nonprofits and service providers the ability to deliver their mission effectively now, and in the future. Capacity building is an investment in the effectiveness and future sustainability of a nonprofit. If you wish to renew your current subscription or if you have never applied - **Download and complete the attached fillable application form and email it back to [croderick@ysedc.org](mailto:croderick@ysedc.org).**

### Building Your Capacity

#### **The Power of Collaborative Fundraising**

There are several benefits for collaborating with other nonprofits who have similar missions to yours. These benefits could include introduction to fresh faces and ideas, sharing event attendee and donor lists, increasing sponsorship levels.

## Performance Appraisals Are Broken

Neither supervisors nor employees think that the current process for performance appraisals is working. While managers question the usefulness of appraisals, nonprofit staff do not feel their appraisals are constructive. After three years of a pandemic, employers and employees are re-evaluating all things work. This is an important time to re-create the performance appraisal process in your organization. The time to act is before an environment is created where appraisals get abandoned without an alternative. [READ MORE](#)

## How to find demographic information about your community

Demographic information can help your nonprofit to better identify your community's needs and to find gaps in its services. Using this data in a grant proposal can help make a case for the urgency of the community need that your nonprofit's mission addresses.

## The Sustainability Question: Why Is It So Annoying?

In every grant application, there is the "Sustainability Question," which is basically, "How will you sustain this program or project when funding from the So-and-So Foundation runs out?"

This question seems absolutely reasonable at first glance, but honestly, it's one of the most annoying questions we face. Most of us nonprofit professionals absolutely hate this question, and each time we see it, we have to leave our desk, go on a walk, maybe do some yoga or watch *The Daily Show*, then come back to our desk, take a deep breath, and write something like: "We will continue to develop...."
