

Yuba-Sutter Food Bank Success Story

The Yuba Sutter Food Bank has had a busy and successful holiday season, and we are excited for what 2024 will bring. We now have a brand-new truck in our rotation that we recently received through a generous donation from a Cal Recycle grant. We are excited about this incredible addition to our fleet, and all the good that it will do for our food recovery program. In 2023 we received 2,749,074 lbs. of food and distributed 2,974,466 lbs. of food. These numbers are amazing, and we can't wait to see how much food we can move in 2024!

We are also looking forward to our fundraiser this year, "Evening at the Food Bank: No Empty Bowls" which takes place on February 9th. This will be a fun and exciting night where we will highlight all the exciting things happening at the Yuba Sutter Food Bank, as well as a vital fundraiser to keep our programs moving forward. Visit our website feedingys.org for more info and sponsorship opportunities.

Without the help of our incredible volunteers, we would not be able to do all that we do to fight food insecurity in Yuba-Sutter. A few of our regular volunteer groups include Beale AFB, SPARK, Transitions Dance Center, ValCo Commercial Cleaning, Live Oak Lions, Blue Zones Yuba Sutter, Easter Seals, Key Clubs from both YCHS and RVHS, as well as many more. We love our volunteers and appreciate them immensely!
